MEETING

Thursday, January 9, 2020 at the Glen Cairn United Church (140 Abbeyhill Drive, Kanata) from 9:30 am to Noon.

Collection InEdith - Edith Choinière

Our Guest this month is Edith Choinière. Judith and I met Edith at the CQA Quilt Show here in Ottawa. After seeing her Booth and checking out her patterns I knew we needed her to come and do a presentation for us. Don't miss this opportunity to spend time with a very talented Quilter.

Church policy is NO drinks or food in the sanctuary. We encourage you to have your coffee/tea prior to the meeting.

PARKING

The church has asked that our members do not park in the fire lanes during our guild meetings. The lanes are located at the front of the back lot alongside the main doors and on the roadway from Abbeyhill to the right of the church. Those parking in the fire lanes could be towed. The handicapped parking spaces are marked by a sign on a tall pole that indicates five handicapped parking spaces. Many are taking up 1.5 spaces. If we are careful to park a little closer together there will be more space. Thanking you for our cooperation.

Thank You for the Fabric Donation

A few weeks ago, I met two wonderful ladies who donated fabrics to our Charity Program - Kathy Lalonde and Kathy Stewart - and would like to recognize and thank them. Marjorie Lalonde was a dedicated quilter who made quilts for all her grand children and family, and acquired a stash as well. Marjorie was 94 when she passed away and some of you may have known her from the west end of Nepean. Kathy Stewart's niece had a premature baby at the Queensway Carleton hospital and received one of our quilties, with our famous label (the child is now 4 months and doing well). Both Kathy's were so excited by the design and colour of the quiltie that the nurses let them look thru all the other quilts the nurses had ready for newborns. They decided to see if they could donate Marjorie's stash to us for our charity work. We picked up 7 boxes of fabrics and donated what we could not use to other groups. You will see some of the fabric in our charity kits and on the backs of quilts.

Thank you so much to Kathy and Kathy. You made some lives warmer today. All because we put a label on the quilties.....

Charity

Carol Dworschak - carol.dworschak65@gmail.com

Victoria's Quilts Canada (VQC) is still in need of donations of any quilting fabric, except novelty or children's fabric, to make up their kits so that they can continue to make and deliver quilts to many more people. Joanne Batchelor - joannebatchelor@royalpage.ca has offered to collect donations of fabric at monthly meetings. You can find her at the Free recycling table as you enter the church.

The ACE (Acute Care for the Elderly) unit at QCH needs donations of keys, beads, plastic pots and plastic flowers. If Guild members have any of these items, please pass them to Georgia Beale (gbeale@sympatico.ca) or leave them at the Free Recycling Table. Georgia will also take wool of any weight, colour, amount. Georgia's Ortho surgeon volunteers in Haiti for a couple of weeks each year; his secretary crochets small things (finger puppets) for the children. All donations very much appreciated.

Thanks for coming out to the Charity Sew Day. It was an enthusiastic group, some of whom tried new techniques during the day. We will have some reps from our charities come to our meetings so you can hear about the organizations we have been supporting. We will have kits available at the guild meetings and please return your finished quilts to Leslie or Carol as indicated on the kits.

New Year, New Beginnings: Free Small Quilting Project, Super Easy Quilts, & Gifts For Baby

Fons and Porter's Love of Quilting
The Quilting Company
December 19, 2019 Author: Carrie Sisk

Sometimes, after a busy quilting season, quilters like to take it easy with a lot of small quilting projects and, as we enter a new year, start on fresh, simple, and quick projects (not adding to the UFO pile is pretty exciting). What's better than that? When they're free AND adorable!

We love these Charming Baby Blocks and think they make an excellent gift for new babies—talk about starting fresh! Plus, these baby blocks are scrap-friendly, which means this project is easy on the pocketbook—quite appealing after a spendy holiday season. But, if you have a few cents to spare, a Charm Pack is all that's needed to make these darling soft blocks.

So, let's get started!

As we enter a new year, start fresh and make a few of these easy and cute Charming Baby Blocks: <https://www.quiltingcompany.com/new-year-new-beginnings-free-small-quilting-project-super-easy-quilts-gifts-for-baby/>
