

# April 2022 - Pinwheel

## PINWHEELS FOR A SPRING BREEZE

- 1 Start with two fabrics each 8 inches square – one a spring like print and the other white or cream.

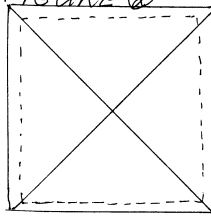

Place the squares right sides together and sew a quarter inch seam all the way around

- 2 Cut the square on the diagonal and you will have made 4 half square triangles

Press the seams to the side of the print and trim off the "dog ears". Arrange in a pinwheel square and sew the block together. Trim the block slightly to 10 inches

To help the block catch the spring breeze let's give it a frame in a contrasting fabric. Cut 2 pieces of fabric  $2\frac{1}{2} \times 10$ " for the sides and 2 pieces  $2\frac{1}{2} \times 14\frac{1}{2}$ " for the top and bottom
